Safe-guarding

Keeping oneself safe and neighbours(which includes people and nature) is a pre-requisite for developmental existence.

Being so,everyone is required to adopt a safety-centered mindset and a few of the fundamental policies are stated below:

- ❖ Always reporting sudden unhappy happenings immediately(within 24hrs)
- ❖ Conducting reviewal checks on safeguarding activities
- ❖ For the case of fires, immediate evacuation of buildings should happen.
- ❖ Caring to unplug all unusable devices.
- ❖ Do not go to restricted areas.
- ❖ Always asking to be sure of doubtable decisions.
